

- AMaze
 - Select the settings for the maze (size, generation algorithm, robot, load from a file) and decide whether to access generating, then PlayManually or generating, then PlayAnimation.
 - Back Button: does nothing.
- Generating
 - Let the user know how long until the maze is generated.
 - Back Button and cancel: Returns to AMaze
- PlayManually
 - Allow the user to navigate through the maze with buttons up, down, left, and right.
 - Allow the users to turn on the maze map, maze walls, and solution.
 - Send the user to the finish screen.
 - Back Button: Returns to AMaze
- PlayAnimation
 - Allow the user to watch their selected robot complete the maze, and play/pause the animation.
 - Allow the users to turn on the maze map, maze walls, and solution.
 - Send the user to the finish screen.
 - Back Button: Returns to AMaze
- Finish
 - Inform the user that they won, or of the stats of the robot and whether it got to the end.
 - Back Button: Returns to AMaze
